Loving to learn, learning to love

Dear Parents,

STARTING SCHOOL – SEPTEMBER 2024

We are really excited to welcome you to All Saints' Church of England Primary School. We would like to invite you to a welcome meeting on **Tuesday 14th May 2024 at 4:00pm** in the school hall. You will get the chance to hear more about our school and meet the staff too. At this meeting you will hear about the important things you can do at home to help prepare your child for their first year at school which will make the transition from nursery to primary school run more smoothly for your child. Please come into school via the pedestrian entrance and walk to the school office where a member of staff will greet you.

There will be a great deal of information being shared, therefore we would advise that if possible that you don't bring your child. **If you have not done so already, please bring in your child's original birth certificate and a recent utility bill dated within the past three months before the 14th May.**

During this meeting you will also be able to sign up for your child's 1:1 session with a member of EYFS staff that will be taking place on the **Weeks commencing 3rd June or 10th June**. This session will give us an opportunity to talk to you about your child, interact with your child and ask any questions you may have.

Your child will also be invited to a 'stay and play session' on **Thursday 5th September** or **Friday 6th September** in their new classroom.

If your child has been identified as having additional needs, medical or educational, please contact the school via email eyfs@allsaints.peterborough.sch.uk

Please be aware that our policy is part time arrangements for all children dependent on how they settle this will then become full time. Generally, most children do start full time by **Monday 23rd September 2024**.

We hope you are able to join us for this meeting and look forward to meeting you. If you cannot attend please let us know by calling the school office on 01733 563688.

All other relevant information can be accessed via the school website. Please check this if you haven't done so already.
