**Aims and objectives for Sports' Premium Spending 2018 -2019**

At All Saints' Primary School we aim to establish a sporting culture that enables and encourages all children to play and enjoy sport. We have established a number of after-school clubs for our pupils offering a wide variety of sporting opportunities for our children. We provide Physical Education (PE) lessons to all children across the school that enhances their learning in Dance, Gymnastics, Games and Swimming.

**Objective:**

To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

Indicators of such improvement to include:

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

\* Outlining anything that is a new initiative, practice or resource this year.
